### AUCTION BULLETIN

We shall sell on Friday six rolls of finest Linoleum, slightly damaged by heat. You will find this a good buy at one-quarter the usual wholesale price. It must be carefully laid, and then it will be satisfactory as it hardens from the first day it is laid. Linoleum is an article that contains lots of latent heat, together with the constant, steady heat of our climate, has softened the substances, but after it is skillfully laid we have proved that it will dry out and harden, and if a thin coat of varnish is put over it you will find it well worth buying. We would not make this statement unless we had demonstrated the facts as above.

We are finding that people are taking advantage of our Auction Rooms as a means of turning dead stock into live money. If you have something that you do not need there is a fellow waiting with the cash who can use just that article. He will be in the Honolulu Auction Rooms on Friday. Respectfully, J. S. Bailey

**How One  
Woman Got  
Her Furniture  
At a Bargain**

The amount Mrs. G. had to spend was limited. It would buy a bed, mattress and springs and a small rocker.

But Mrs. G. needed a dresser, a small table, a dining table and several chairs besides.

How could she get them?

Well, there were the WANT ADS. She had never taken much stock in them, but that night she read and checked with a pencil as she read.

The bed and dresser were bought on — street, and some other articles out on — avenue. And the dining table and chairs on — street. She had \$2.15 left!

Now Mrs. G. is strong for Star-Bulletin WANT ADS. She knows that one profits through reading them.
